

TRACKDAY MEDICAL INSURANCE INFORMATION

MEDICAL INSURANCE IS COMPULSORY: Medical treatment in Spain is not automatically available free of charge, and treatment required as a result of a dangerous activity (such as track days) is normally chargeable at most hospitals, so all circuits in Spain insist that all riders are properly insured for medical costs. Standard travel insurance and the European Health Insurance Card (EHIC) scheme do not cover track days so all riders must obtain specialist insurance that covers any medical expenses that may result from participation in a motorcycle track day event.

You must email us a copy of your medical insurance prior to the event. No insurance = no ride!

INSURANCE FOR UK RESIDENTS: Suitable insurance is available cheaply for all UK residents – either as an annual policy, or as a single trip policy. This covers medical and repatriation costs, and cover for luggage, cancellation, curtailment, delay, etc. is either included or available as an add-on extra if required.

SUITABLE INSURANCE POLICIES FOR UK RESIDENTS: Here are 2 insurance policies that are suitable for UK residents (others may be available)...

THE PURPLE CHOICE POLICY: This covers both track days and amateur racing, so it is suitable for those that wish to participate in the optional fun races that are available at some of our events.

The Purple Choice policy is available from:

Integro Insurance Brokers: Call 0161 419 3029 or email amanda.simpson@integrogroupp.com

BeMoto Insurance Brokers: Call 01733 907000 or email helpme@bemoto.co.uk

Note that the Purple Choice Policy sold by Intergo normally includes cancellation/curtailment/delay/baggage, etc. whereas this is an optional add-on extra when you buy the Purple Choice policy from BeMoto.

THE ADVENTURES POLICY: This covers track days only – it does not normally cover any form of racing so normally it will not cover you for the optional fun races that are available at some of our events. Amateur racing may be covered at extra cost, but only if you have a valid race licence and subject to a referral to the underwriter.

The Adventures policy is available from:

P J Hayman & Company: Buy online at <http://www.adventuresinsurance.co.uk> or call 02392 419 070

Trackcover: Buy online at <http://www.trackcover.com> or call 02392 419838 and quote COV2086

Four Counties Insurance: Buy online at <http://www.4counties.co.uk> or call 01394 605100

OTHER INSURANCE POLICIES: If you have another insurance policy (i.e. something other than the policies shown above), this can be accepted if it is accompanied by a written confirmation from your insurer specifically stating that you are covered for all medical expenses that may arise from riding a motorcycle on a motor racing circuit in Spain.

Note that policies underwritten by Travel Insurance Facilities are not accepted by the hospital at Almeria – this includes Holidaysafe, Voyager, Travelmaster, Infinity, BenGo and the policy sold online by BeMoto (but note that BeMoto also sell the Purple Choice policy over the phone, and this is accepted at Almeria).

EUROPEAN HEALTH INSURANCE CARD (EHIC): An EHIC is available free of charge for most UK residents and offers free or discounted medical treatment at state-owned hospitals in the EEC, but it does not cover dangerous activities such as trackdays, it does not offer any discount at privately owned hospitals, and it does not cover repatriation costs. So while it is essential to have an EHIC for any trip to Europe, it WILL NOT be accepted as proof of insurance for riding on the circuit. If you require medical treatment as a result of any non-circuit-related activity, you should firstly present your EHIC to the hospital, and then only provide your medical insurance details if your EHIC is not accepted. UK residents can apply online for an EHIC free of charge at <https://www.ehic.org.uk>

INSURANCE FOR NON-UK RESIDENTS: If you provide us with your name, date of birth, nationality and passport number we can arrange suitable medical insurance in advance at a cost of 20.00 GBP per day (note that this covers medical costs only – repatriation cover is available for an extra 5.00 GBP per day).

Alternatively, there may be insurance providers in your own country of residence that can provide suitable insurance. This will be accepted if it is accompanied by a written confirmation (in English) from your insurer specifically stating that you are covered for all medical expenses that may arise from riding a motorcycle on a motor racing circuit in Spain.
