**IF YOU WANT ACCESS TO MORE THAN 100 TRACK DAYS** over the winter season, check out the Club TS membership scheme on our website events page. This offers UK bike transport with storage in Spain and on-going transport to other circuits in Spain/Portugal for all of our events.

**ALL EVENTS INCLUDE** live timing, use of a transponder, free access to lap times, groups arranged by lap times, and shared space in a garage/box. Event formats vary, but we typically provide 6 x 20-minute sessions per group per day.

**EXTRA TRANSPORT COSTS** apply for items that do not fit in the frame with your bike - these items can be transported separately at extra cost (for example, large bags/boxes £20 each, apr wheels £10 each). The extra cost for taking a second bike is £295.

**A GOODS VALUE FEE (GVF)** applies for all transport bookings. This is 0.5% of the total value that you declare for your bike/kit. For example, if you declare £8,000, your GVF will be £40.

**RENTAL BIKES** (2026 S1000RR with €5000 damage liability) are available. Contact us for details.

**IF YOU WANT TO BOOK**, email [info@tracksense.co.uk](mailto:info@tracksense.co.uk) and we'll reply with booking instructions.

**PAYMENTS** are by bank transfer (we accept most major currencies). £295 non-refundable deposit required when you book. The balance is due 4 weeks before the event.

**INSURANCE FOR MEDICAL EXPENSES** is compulsory for all track days in Spain/Portugal (info & contacts will be provided when you book). Note that standard travel insurance does not normally cover track days.
