UK BIKE TRANSPORT is available for the selected events listed above, but this must be booked at least 3 weeks before the event (later transport bookings cannot be accepted). **If you want to access more than 100 track days** at various circuits in Spain/Portugal over the winter season, check out the Club TS membership scheme on our website events page. THE HEADLINE EVENT PRICES LISTED ABOVE INCLUDE track days & transport for 1 bike/kit from our main depot at Sandy in Beds. Hotel accommodation is not included, but where this is available through us, it is listed above as an option.

EXTRA TRANSPORT COSTS apply for items that do not fit in the frame with your bike (i.e. pairs of wheels, large kit bags/boxes, etc.) – these are charged at £20 each (or £125 per cubic metre). The extra cost for taking a second bike is £250.

A GOODS VALUE FEE (GVF) applies for all transport bookings – for a single trip, the GVF is 0.5% of the total value that you declare for your bike & kit – so, for example, if you declare a value of £10,000 for your bike/kit for example, your GVF will be £50.

RENTAL BIKES (2024 S1000RR with €4000/£3500 damage liability) are available for all events – contact us for details.

IF YOU WANT TO MAKE A BOOKING, send a booking request to info@tracksense.co.uk and we'll reply with booking instructions.

INSURANCE FOR MEDICAL/REPATRIATION COSTS is compulsory for all track days in Spain & Portugal. Suitable insurance is available and riders that book with us will be sent info/contacts for this. Note that standard travel insurance does not normally cover track days.
