MORE INFO (applies to all events):

IF YOU WANT ACCESS TO MORE THAN 100 TRACK DAYS over the winter season, check out the Club TS membership scheme on our website events page. This offers UK bike transport with storage in Spain and on-going transport to other circuits in Spain/Portugal for all of our events.

ALL EVENTS INCLUDE live timing, use of a transponder, free access to lap times, groups arranged by lap times, and shared space in a garage/box. Event formats vary, but we typically provide 6 x 20-minute sessions per group per day.

EXTRA TRANSPORT COSTS apply for items that do not fit in the frame with your bike - these items can be transported separately at extra cost (for example, large bags/boxes £20 each, spare wheels £10 each). The extra cost for taking a second bike is £295.

A GOODS VALUE FEE (GVF) applies for all transport bookings. This is 0.5% of the total value that you declare for your bike/kit. For example, if you declare £8,000, your GVF will be £40.

RENTAL BIKES (2026 S1000RR with €5000 damage liability) are available. Contact us for details.

IF YOU WANT TO BOOK, email info@tracksense.co.uk and we'll reply with booking instructions.

PAYMENTS are by bank transfer (we accept most major currencies). £295 non-refundable deposit required when you book. The balance is due 4 weeks before the event.

MEDICAL EXPENSES INSURANCE is compulsory for all track days in Spain/Portugal (info & contacts are provided when you book – standard travel policies do not normally cover track days).
