CLUB TS 2022/23 SEASON MEMBERSHIP

MEMBERSHIP OPTIONS WITH OR WITHOUT BIKE TRANSPORT & STORAGE

4 MEMBERSHIP TIERS:

Bronze membership is for those that do not need bike transport or storage. Bronze+ adds storage in Spain for the winter season, and Silver/Gold membership also includes return bike transport from the UK. Membership is per year (Oct to Sept) and offers more than 100 discounted track days at various circuits in Europe (mostly in Spain/Portugal).

Transport from the UK operates in a similar way to the past 22 years, using our purpose-built steel cradles and offering optional bike collections nationwide (incl. Scotland & Northern Ireland), and we will obtain an ATA Carnet to cover all bikes for the year.

All-risks (except earthquake) insurance is included for both transport and storage so your bike can holiday safely in Spain over the winter.

1% GVF (Goods Value Fee) & CARNET REQUIREMENTS (Silver/Gold members only):

An additional 1% GVF applies for all Silver/Gold members – this being a contribution towards the costs for the Carnet and the insurance, both of which depend on the value of your bike/kit. There are some Carnet requirements/obligations and Silver/Gold members are required to sign a transport indemnity, which makes you responsible for providing a list of items for transport and for any customs penalties that may become due if it is discovered (by a customs check for example) that the items you transport do not match the list you previously provided (please read the ATA Carnet Requirements and GVF files for more details on this).

BRONZE MEMBERSHIP £300 per year:

For those that transport their own bike to the circuit, Bronze membership offers:

- Discounted track days with shared garage (box) space included
- Live timekeeping, use of transponder & free access to lap times
- Free entry to sprint session(s) at selected events (see dates & prices file for details).

BRONZE+ MEMBERSHIP £400 per year:

Bronze+ membership includes all of the Bronze membership benefits plus:

- Secure storage Oct-April at Almeria or Valencia circuit.

- All risks (except earthquake) insurance for storage and for transport within Spain/Portugal. You need drop-off and collect your bike off at one of our winter season events in Spain/Portugal. We will, at extra cost, provide bike transport within Spain/Portugal as required for any events that you book (see page below for transport costs within Spain/Portugal).

Note that if you transport your own bike from the UK to Spain you are very likely to need a Carnet, and depending on the value of your bike/gear, that is likely to cost you at least £500.

SILVER MEMBERSHIP £700/year + 1% GVF (bookings cannot be accepted after 30 Sept):

Silver membership includes all of the Bronze+ membership benefits plus:

- Transport from the UK with all risks insurance for 1 bike & kit.
- Shared space in a double cradle (which is easier to load up with more gear) for buddies that will always do the same events together, or for those that will only ride at the circuit where their bike is stored – or a single bike cradle for those that may attend events alone.

GOLD MEMBERSHIP £1100/year + 1% GVF (bookings cannot be accepted after 30 Sept):

Gold membership includes all of the Silver membership benefits plus:

- A double bike cradle for solo use so you have space for more gear and/or a second bike.

SILVER/GOLD MEMBERSHIP IS LIMITED TO 30 MEMBERS MAX.

STORAGE IN SPAIN: Your bike can be stored at Almeria/Andalucia or Valencia. There are no transport fees for events at the circuit where your bike is stored, and there are more events at Almeria/Andalucia than anywhere else – so storage at Almeria makes sense for most. Normally your bike will be stored in one of our cradles so that it can be quickly moved from the store to

a circuit garage, or to another circuit. Both of our stores are secure and benefit from full perimeter fencing. Access to your bike for other organisers' events is not normally possible.

TRANSPORT FROM ALMERIA/VALENCIA TO OTHER CIRCUITS IN SPAIN/PORTUGAL:

If you store a bike with us we can transport it to our events at other circuits in Spain/Portugal. Gold members pay higher transport fees because they are using 2 transport spaces. The costs listed below are for bikes stored at Almeria. For bikes stored at Valencia, different fees apply (contact us for details).

CIRCUIT	COST	
Aragon, Calafat & Portimao	Bronze+ & Silver £155	Gold £260
Cartagena	Bronze+ & Silver £85	Gold £145
Estoril	Bronze+ & Silver £185	Gold £310
Jerez & Valencia	Bronze+ & Silver £130	Gold £220
Monteblanco	Bronze+ & Silver £145	Gold £215

For back to back events you pay the highest fee + £85 loading/handling fee for the 2nd event. **Silver members** that share a double cradle and visit circuits without their "cradle buddy" will be charged £50 per event for the transfer of their bike/kit to another cradle for transport.

ALL RISKS (EXCEPT EARTHQUAKE) INSURANCE: All risks insurance covers your bike/gear for storage and for transport (including transport to other circuits within Spain/Portugal). We have operated transport to/from Spain for 22 years and we have used the same stores for 10 years now – and during this time no bikes have been lost/stolen, there have been no break-ins and we have not made any insurance claims. So the risk of theft/loss/damage is low – but there is always a risk, hence the insurance.

MEMBERSHIP DEPOSIT: A non-refundable/non-transferable deposit of £400 is required at the time of booking (for Bronze members this covers the membership fee and gives you a £100 credit for your first event). If you subsequently cancel your membership for any reason you will forfeit the deposit. Note that if a Silver/Gold member fails to comply with the Carnet obligations we may be forced to cancel their booking and in this case the deposit is forfeited.

FURTHER PAYMENTS: All Club TS members will have a membership account. Events, tyres, hotel, etc. are added to your account as required, with payment being due 14 days before each winter season event (for summer events, payment is approx. 4 weeks before the event). We will send payment reminders for each event and further account top-ups or regular monthly payments can be arranged as required. For full payment/cancellation terms please see our Terms and Conditions, which are available on our website or by email on request.

TYRE SALES & FITTING: You can order/buy tyres through us or you can bring your own and we will fit them. **Our prices are very competitive**, especially considering the costs of moving stock, equipment & staff from circuit to circuit. Pricelists will be provided, but manufacturers have 2 or 3 price changes per year so it's not possible to offer fixed prices for a whole season in advance – but to give you an idea of what to expect, here are 2 common examples (prices are current at the time of writing on 02.05.22):

PIRELLI SUPERBIKE SLICK: 120/75 & 200/65 £440/pair (best UK price online £463/pair)

BRIDGESTONE V02 SLICK: 120/600 & 200/655 £360/pair (best UK price online £382/pair)

We normally stock commonly used Pirelli, Metzeler, Bridgestone & Dunlop tyres but it's best to order in advance because stock at the circuit is limited.

Tyres ordered in advance are added to your account. Tyres that are not ordered in advance must be paid on the day in Euros and cannot be added to your account.

Fitting to loose wheels is €15/tyre disposal and must be paid at the track.

We can remove/refit wheels at extra cost but we prefer you to remove/refit your own wheels.

SERVICING & REPAIRS IN SPAIN: We have 6 service partners in Spain that offer servicing and repairs for all makes/models. We can arrange delivery and collection of your bike for any of these service centres and we always group bikes together for transport to minimise any delivery/collection costs. Details are arranged/provided as and when required.

TRACK DAYS & HOTELS: Track day dates & prices along with hotel options are listed in a separate document, which is updated from time to time with new dates and details. This is available on our website or by email on request.

PAYMENT OPTIONS: Payment can be made by bank transfer (Pounds or Euros) or by debit card (Pounds only). We do not accept payments by credit card or Paypal.

ADMINISTRATION: Track Sense administers membership & bookings prior to the event. Where there are a significant number of Track Sense riders we will attend the event. Where there are only a handful of Track Sense riders our partners (Bike Promotion) will deal with admin on the day. Event formats, logistics, etc. are jointly designed by Bike Promotion and Track Sense. For storage and transport in Spain/Portugal, and for some events and tyre sales in Spain/Portugal, Track Sense acts as the UK/Ireland agent for ITR-Germany GmbH (Bike Promotion Europe).
