

TRACK DAYS – 2022/2023 SEASON

PRICES ARE FOR TRACK DAYS ONLY (no transport/hotel) AND INCLUDE:

Live timing, use of transponder & free access to your lap times, groups arranged by lap times, free entry to sprint sessions (see below), and shared space in a garage/box.

PRICE VARIATIONS:

Club TS members benefit from lower event prices as shown in the Club TS members column below. Membership starts at £400/year (see website or contact us for details).

Early booking discounts apply. 2 prices are shown in each column (for example, Club TS members £380/415). The lower price (£380) is for bookings made more than 14 days before the event. The higher price (£415) applies for later bookings.

Prices vary according to the event format. Fewer riders on track normally means a higher price. For details see the event format info shown below the list of dates.

08 May 23: Club TS members' bikes arrive back in the UK

EVENT FORMATS/SESSIONS: Most events have 6 x 20 minute sessions/group/day. Sometimes there is a 15 minute session at the start/end of the day (usually to make time for a group change or a sprint session), and some events (typically Race Camps and other events with a low number of riders) have some longer sessions (usually 30 minutes). The following examples show how to interpret the event format...

4x40: 4 groups of 40 riders max (typically with 6 x 20 minute sessions per day).

2x25: 2 groups of 25 riders max (typically with alternate 30 minute sessions)/

3.5x35: 3 groups of 35 max with a 4th group that has 3 sessions per day. Typically the 4th group is for bikes up to 300/400cc and is suitable for a father & son (or similar) combinations that want to ride together (contact us for more info).

OPL40: Open pit lane for 40 riders max with a recommendation that, when possible, the fastest 20 use the first half of each hour and the slowest 20 use the last half hour.

RC 4x28: Race Camp for fast riders/racers. 4 groups according to class (SBK, STK, SSP & SSP300) with fewer riders as compared to a regular event. RC events usually have a mix of 20 minute and 30 minute sessions. Garage/box space is not included in RC event prices but it is available for £75/rider/day (max 4 riders per garage/box).

SPRINT SESSIONS: Available on 1 or more days where the format is **highlighted blue**. Normally 6 laps with a rolling start in order of lap times from the previous day.

HOTEL ACCOMMODATION: We can provide hotel accommodation for Jerez, Almeria/Andalucia. We may also offer hotel options for other circuits when available.

Jerez: 4 star hotel 1 minute from the circuit with breakfast included. £45pppn for 2 sharing a room (single occupancy rooms +£25/night).

Almeria/Andalucia: 4 star spa hotel on the beach near Almeria (30 mins from the circuit). This is the best hotel in the area and rooms are half-board (breakfast, dinner, 15% discount at the bar, and 20% discount on spa treatments included). Twin/double rooms are £50pppn for 2 sharing (+£30 for single occupancy). Easter rates apply 01 to 10 April: Twin/double rooms £70pppn for 2 sharing (+£40 for single occupancy).

ADMINISTRATION: Track Sense deals with admin prior to the event, and at events where there are a significant number of Track Sense riders. For events with few Track Sense riders, our partners (Bike Promotion) deal with admin on the day. Event formats/details are jointly designed/agreed by Track Sense and Bike Promotion. For some events, tyre sales & logistics, Track Sense acts an agent for ITR Germany (Bike Promotion Europe) GmbH.
