CIRCUIT INFO:

Circuito de Jerez is 60 miles south of Seville and was built in 1986 for the Spanish F1 GP. F1 returned in '94 & '97, but Jerez is now better known for motorcycle events such as MotoGP, WSBK, etc. It's a flowing mix of fast/medium speed turns, and an all-time favourite for many riders. The circuit was fully rebuilt in 2002 and now stands as one of the premier venues in Spain.

NEAREST AIRPORTS WITH DIRECT UK FLIGHTS:

Seville 55 min, **Gibraltar** 1 hr 15 min, **Malaga** 2 hr 15 min, **Faro** 2 hr 55 min.

BOOKING & PAYMENT:

Email info@tracksense.co.uk and we'll reply with booking instructions. A non-refundable/non-transferable £295 deposit is required. The balance is due 4 weeks before the event. Payment is by bank transfer (we do not accept credit/debit cards).

MEDICAL INSURANCE:

Insurance for medical/repatriation costs is compulsory for all track days in Spain. Suitable insurance is available and riders that book with us will be sent info/contacts for this. Note that standard travel insurance does not normally cover track days.
